Dear Friends;

Winter 2024

Now three years before his death it befell that he was minded, at the town of Greccio, to celebrate the memory of the Birth of the Child Jesus, with all the added solemnity that he might, for the kindling of devotion. That this might not seem an innovation, he sought and obtained license from the Supreme Pontiff, and then made ready a manger, and bade hay, together with an ox and an ass, be brought unto the spot.

The Brethren were called together, the folk assembled, the wood echoed with their voices, and that august night was made radiant and solemn with many bright lights, and with tuneful and sonorous praises. The man of God, filled with tender love, stood before the manger, bathed in tears, and overflowing with joy. Solemn Masses were celebrated over the manger, Francis, the Levite of Christ, chanting the Holy Gospel. Then he preached unto the folk standing round of the Birth of the King in poverty, calling Him, when he wished to name Him, the Child of Bethlehem, by reason of his tender love for Him.

A certain knight, valorous and true, Messer John of Greccio, who for the love of Christ had left the secular army, and was bound by closest friendship unto the man of God, declared that he beheld a little Child right fair to see sleeping in that manger. Who seemed to be awakened from sleep when the blessed Father Francis embraced Him in both arms. This vision of the devout knight is rendered worthy of belief, not alone through the holiness of him that beheld it, but is also confirmed by the truth that it set forth, and withal proven by the miracles that followed it.

For the example of Francis, if meditated upon by the world, must needs stir up sluggish hearts unto the faith of Christ, and the hay that was kept back from the manger by the folk proved a marvellous remedy for sick beasts, and a prophylactic against divers other plagues, God magnifying by all means His servant, and making manifest by clear and miraculous portents the efficacy of his holy prayers. ~ St Bonaventure

Recently Bro Michael our Vocation Director along with Bros Peter and Stephen attended the RENEW gathering for Catholic Young Adults in Whitby ON and a few days later also held a "Day of Discernment" here at La Verna in Peterborough ON, where we had three men attend (one from Renew) to discern and inquire about Capuchin religious life.

These moments are God-given and ONLY possible through your prayers and generosity, THANK YOU so very much!

OUR CAPUCHIN BURSE PROGRAM

The Capuchin Burse Program exists to fund our participation in the Capuchin Initial Formation Programs. These programs consist of three elements, Postulancy, Pre-Novitiate and Novitiate, in which our men receive their initial training and education in the Capuchin Franciscan way of life. Our Postulancy Program is a collaborative effort between the Capuchin Provinces of St. Joseph (Detroit), St. Mary (New York) and ourselves, and is currently based in Milwaukee, WI. The Novitiate program is international, with the Capuchin provinces of the United States, Australia, Canada (English), and Guam sending their novices to our Intercontinental Novitiate in Santa Ynez, CA. During this time our novices begin studying the life of St. Francis of Assisi as well as our Capuchin and Church history. Our Initial Formation Programs provide a solid religious foundation for our men, which is world-class, informative, and enlightening. Our programs emphasize that their vocations are not only to the local, but also global Church.

The current costs of these programs is approximately \$120,000.00 (CDN) per person. Every donation YOU make to our Capuchin Burse Program directly enables our men to participate in these Capuchin Formation programs providing our Catholic Church with brothers who are well formed in Capuchin Franciscan spirituality and prepared for a life of ministry in our Church.

OUR CAPUCHIN LEGACY PROGRAM – What will YOUR LEGACY be?

As Christians one of the most important tasks we have is that of faithful stewardship. This is beautifully expressed in St. Francis' "Canticle of the Creatures" which gives thanks for our interdependent relationship with all of God's creation, in which we all share. This same spirit also finds contemporary resonance in a quote by Blessed Fr. Solanus Casey, OFM, Cap (d.1957) who stated, *"The only science that gives purpose to every other science is the science of religion – the science of our happy relationship with, and our providential dependence on God and our neighbour."* One of the most important and faith filled acts of stewardship that you can do is to make certain that you have a current will. It is your loving remembrance for others and your love is returned a hundred-fold in your reaching out and assuring "new life" for others.

REMEMBER...

Not only can you leave a gift of financial remembrance but also gifts of Life Insurance, Stocks, Bonds or Property may also be gifted through your Will. For further information contact our Provincial Office.
